Everything Has Changed (feat. Ed Sheeran)

Taylor Swift

All I knew this morning when I woke
Is I know something now, know something now
I didn't beforeAnd all I've seen since eighteen hours ago
Is green eyes and freckles
And your smile in the back of my mind making me feel rightI just want to know you better
Know you better, know you better now
I just want to know you better
Know you better, know you better nowI just want to know you better
Know you better, know you better now
I just want to know you
Know you, know youCause all I know is we said hello
And your eyes look like coming home
All I know is a simple name
Is everything has changed
All I know is you held the doorYou'll be mine and I'll be yours
All I know since yesterday
Is everything has changed
And all my wallsStood tall painted blue
But I'll take them down
Take them down and open up the door for you.
And all I feel in my stomach is butterfliesThe beautiful kind, making up for lost time
Taking flight, making me feel right
I just want to know you better
Know you better, know you better now
I just want to know you better
Know you better, know you better now
I just want to know you betterKnow you better, know you better now
I just want to know you
Know you, know you
'Cause all I know is we said helloAnd your eyes look like coming home
All I know is a simple name
Is everything has changed
All I know is you held the doorYou'll be mine and I'll be yours
All I know since yesterday
Is everything has changed
Come back and tell me whyI'm feeling like I've missed you all this time
And meet me there tonight
And let me know that it's not all in my mind
I just want to know you betterKnow you better, know you better now
I just want to know you
Know you, know you
All I know is we said helloYour eyes look like coming home

All I know is a simple name
Is everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday
Is everything has changed.
All I know is we said hello
So dust off your highest hopes
All I know is pouring rain
And everything has changed
All I know is a newfound brightness
All my days I'll know your face
All I know since yesterday
Is everything has changed
