Hey Girl (feat. Florence Welch)

Lady Gaga

Hey girl, can you hear me? Are you holding out your heart?
Hey girl, do you feel me? Sometimes I go too far
Hey girl, it ain't easy, I know it's pulling me apart
But, darling, don't you leave me, baby, don't you leave meHey girl, hey girl, we can make it easy if we lift each other
Hey girl, hey girl, we don't need to keep on one-in' up anotherHey girl, hey girl, hey girl, hey girl
If you lose your way, just know that I got you
Just know that I got youLady, is it lonely? I been calling out your name
Tell me that you need me, 'cause I need you just the same
Every day a heartache, I'm just trying to keep it sane
But I know you believe me, baby, don't you leave me
Hey girl, hey girl, we can make it easy if we lift each other
Hey girl, hey girl, we don't need to keep on one-in' up anotherHey girl, hey girl, hey girl, hey girl
If you lose your way, just know that I got youHelp me, hold my hair back
Walk me home, 'cause I can't find a cab
And we dance down the Bowery
Held hands like we were 17 againAnd then it's 4 a.m., the sun is creeping up again
Don't you leave me, oh, darling, don't you leave meHey girl, hey girl, we can make it easy if we lift each other
Hey girl, hey girl, we don't need to keep on one-in' up anotherHey girl, hey girl, hey girl, hey girl
If you lose your way, just know that I got youJust know that, just know that I got you
Just know that, just know that, just know that
Help me, hold my hair back
Walk me home, 'cause I can't find a cab
And we dance down the Bowery
Held hands like we were 17 again
