# Granted

## Josh Groban

Have you ever felt it could all go away if you blink
If you never stop running you won't fall behind, so you think
And you wonder in your heart if you're still not who you are, who are you?
Nothing's as it seems till it all falls apartIf you have a dream go chase it
If you feel hope don't waste it
If you find love embrace it
And never take a single breath for granted
The story's yours, go write it
Tomorrow's undecided
Our days are counted on this planet
Never take a single breath
Take a single breath for granted
Maybe it's time you bet on yourself
Listen to your heart, just listen to your heart and nobody else
So go find out who you are, only you know who you are, who are you?
'Cause all you have to lose is your best life yet, so go aheadIf you have a dream go chase it
If you feel hope don't waste it
If you find love embrace it
And never take a single breath for granted
The story's yours, go write it
Tomorrow's undecided
Our days are counted on this planet
Never take a single breath
Take a single breath for grantedSometimes the greatest moment we'll ever know
Are when we're letting go, so let go
And maybe our brightest days still wait for us
In the unknown
If you have a dream go chase it
If you feel hope don't waste it
If you find love embrace it
Never take a single breath for granted
If you have a light go find it
The story's yours, go write it
Our days are counted on this planet
So I won't take a single breath
Take a single breath for granted
