Born Again (French Horn Rebellion Remix)

Newsboys

Found myself looking into the mirror
Knew I wasn't who I wanted to be
I was living like the way that I wanted
But my eyes reminded me I'm not free
Believe that I saw, everything that I know
Says I gotta go, tired of going solo
But I'm never gonna go there againThis is what it is
This is who I am
This is where I'm gonna take my stand
I didn't want to fall, but now I gotta crawl
I'm not the one with two scared hands
Givin' him the best of, everything that's left of
The life inside this man
I've been Born Again
I see you're walking like you're living in fear
Having trouble even looking at me
Wishing that they give you more than words
Sick of people telling how it should be (how it should be)
What's your download, where'd you get your info
Saw that I'm show, now you're in the in-load
I'm gonna tell you what I believe, OHThis is what it is
This is who I am
This is where I'm gonna take my stand
I didn't want to fall, but now I gotta crawl
I'm not the one with two scared handsGivin' him the best of, everything that's left ofThe life inside this man
I've been Born Again
We are the ones, he called by name
Never gonna look back
Let go, let go the guilt the shame
I said I'm never gonna look back
This is who I amThis is what it is
This is who I am
This is where I'm gonna take my stand
I didn't want to fall, but now I gotta crawl
I'm not the one with two scared hands
Givin' him the best of, everything that's left of
The life inside this man
I've been Born AgainThis is what it is
This is who I am
This is where I'm gonna take my stand
I didn't want to fall, but now I gotta crawl

I'm not the one with two scared hands
Givin' him the best of, everything that's left of
The life inside this man
I've been Born AgainI am Born Again
