No Place That Far

Sara Evans

I can't imagine, any greater fear
Than waking up, without you here
And though the sun, would still shine on
My whole world, would all be gone
But not for longIf I had to run
If I had to crawl
If I had to swim a hundred rivers
Just to climb a thousand walls
Always know that I would find a way
To get to where you are
There's, no place, that far
It wouldn't matter, why we're apart
Lonely miles, or two stubborn hearts
Nothing short, of God above
Could turn me away, from your love
I need you that muchIf I had to run
If I had to crawl
If I had to swim a hundred rivers
Just to climb a thousand walls
Always know that I would find a way
To get to where you are
There's no place that far
Oh, if I had to run ([If I had to run])
If I had to crawl ([If I had to crawl])
If I had to swim a hundred rivers
Just to climb a thousand walls
Always know that I would find a way
To get to where you are
There's, no place, that far
Baby there's, no place, that far
