Baby, It's Cold Outside (with Dolly Parton)

Rod Stewart

I really can't stay
Baby it's cold outside
I've got to go away
Baby it's cold outside
This evening has been
Been hoping that you'd drop in
So very nice
I'll hold your hands, they're just like iceMy mother will start to worry
Beautiful, what's your hurry?
And my father will be pacing the floor
Just listen to that fireplace roar
Now really I'd better scurry
Sweetheart, what's your hurry?
Well maybe just a half a drink more
Why don't you put some records on while I pour
All the neighbors might think
But baby, it's bad out there
Say, what's in this drink?
No cabs to be had out there
Oh, I wish I knew how
Your eyes are like starlight now
To break this spell
I'll take your hat, your hair looks swellI ought to say no, no, no, sir
Mind if I move in closer
At least I'm gonna say that I tried
What's the sense in hurting my pride?
I really can't stay
Baby don't hold out
Oh, but it's cold outside
I simply must go
Baby, it's cold outside
The answer is no
But baby, it's cold out there
Oh, this welcome has been
So lucky that you dropped in
So nice and warm
Look out that window at that stormMy sister will be suspicious
Gosh, your lips look delicious
And my brother will be there at the door
Waves upon a tropical shore
Oh, my maiden aunt's mind is vicious
Ooo, baby you're so delicious

Well maybe just one little kiss more
Never such a blizzard beforeOh, I've got to go home
You'll freeze to the bone out there
Say, lend me a comb
It's up to your knees out there
You've really been grand
I thrill when you touch my hand
But don't you see?
How can you do this thing to me?Oh, there's bound to be talk tomorrow
Making my lifelong sorrow
Well at least there will be plenty implied
If you caught pneumonia and died
But I really can't stay
Get over that old out
Baby it's cold outsideOoo ooo ooo
Hey, I gotta get out of here
Come on, baby
Come on what?
Just give me five minutes more
You sure know how to wear a girl down, don't you?
Okay, okay, okay, okay
