Plate of Shrimp

Bad Acid Trip

Plate of Shrimp
Happens all the time
You just never realize
Like Miller says,
it's just a plate of shrimp
Happens every day
But it's never to be seen
Part of the cosmic unconsciousness
Do you know what I mean
fucking Plate of shrimp plate of fucking shrimp
Happens every day
But it's never to be seen
Part of the cosmic unconsciousness
Do you know what I mean
fucking Plate of shrimp plate of fucking shrimp
Does his best thinking on the bus
Driving makes you dumber
You know who to trust
Fucking plate of shrimp
Plate of fucking shrimp
