Save the World (Knife Party Remix)

Swedish House Mafia

Into the streets
We're coming out
We never sleep
Never get tired
Through urban fields
And suburban lifeTurn the crowd up now
We'll never back down
Shoot down the skyline
Watch it on primetime
Turn up the love now
Listen up now
Turn up the love
Who's gonna save the world tonight?
Who's gonna bring it back to life?
We're gonna make it, you and I
We're gonna save the world tonightWe're far from home
It's for the better
What we dream it's all that matters
We're on our way, unitedTurn the crowd up now
We'll never back down
Shoot down the skyline
Watch it on primetime
Turn up the love now
Listen up now
Turn up the love
Who's gonna save the world tonight?
Who's gonna bring it back to life?
We're gonna make it, you and I
We're gonna save the world tonightWho's gonna save?
Who's gonna bring?
We're gonna make it, you and I
Who's gonna save?
Who's gonna bring?
We're gonna save the world tonight
