All I Do

B5

Wassup, how you doin'?
I've been seeing you from across the room
And you know, I just need your attention for a few minutes
Is that cool with you?
Yeah, Ight
Check it, listenI can't wait to get to school each day
And wait for you to pass my way
And bell starts to ring
An angel starts to sing, "Hey that's the girl for you"So what are you gonna do
Hey little girl
I love you so
(Whoa, whoa)
All I do is think of you
Day and night
(That's all I do)
I can't get you out my mind
Think about
(All the time)
All the timeI begin to take the long way home
Just so I can be alone
To think of how to say
That my heart is here to stayHey, I'm in love with you
I think the world of you
So won't you please, please be mine
I want
All I do is think of you
(Baby)
Day and night
(All the time every night and day)
I can't get you out my mind
(My mind)
Think about
(Think about you all the time)
All the timeYou know what girl?
I'm in love
I can say it, yeah, I ain't scared I, I, I'm in lovePeople tell me I'm too young to be in love
I know what I'm feeling
And this is real
I don't know what it is
But I can't stop thinking about youI think about you all the time
All I do is think of you
(Baby)

Day and night (Baby)I can't get you out
I don't want you out
I just want you in my life
All I do is think about you day and night
I can't even sleep
(Without you in my life)
I can't get you out my mind
Think about
All the timeAll I do is think of you
Morning when I rise, when I sleep at night
Day and night
I can't get you off my mind
(I can't get you out, my mind)
All I do is think of you
(All I do)
Day and night
I can't get you out my mind
(I don't want to)
Think about
Every day in my life
All the time
