Sad (feat. Afrojack) [Extended Joel Corry Remix]

Who am I?
Someone that's afraid to let go
You decide if you're ever gonna?let?me knowSuicide if?you ever try to let goI'm sad, I know, yeah
I'm sad, I know, yeahWho am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let goI'm sad, I know, yeah
I'm sad, I know, yeahWho am I?
You decide if you ever go
Who am I?
You decide if you ever go
Who am I? You decide
Who am I? You decideWho am I? Who am I?
You decideWho am I?
Someone that's afraid to let go
You decide if you're ever gonna?let?me know
Suicide if?you ever try to let goI'm sad, I know, yeah
I'm sad, I know, yeahIf you ever try to let goWho am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let go
I'm sad, I know, yeah
I'm sad, I know, yeahWho am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let goI'm sad, I know, yeah
I'm sad, I know, yeahYou decide if you ever go
You decide if you ever goYou decide
You decide
You decideSomeone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let goI'm sad, I know, yeah
I'm sad, I know, yeah
