Slow and Steady

Of Monsters and Men

The lights go out, I am all alone
All the trees outside, are buried in the snow
I spend my night, dancing with my own shadow
And it holds me, and it never lets me goI move slow and steady
But I feel like a waterfall
Yeah I move slow and steady
Past the ones that I used to knowMy dear old friend take me for a spin
Two wolves in the dark running in the wind
I'm letting go, but I've never felt better
Passing by, all the monsters in my head
And I move slow and steady
But I feel like a waterfall
Yeah I move slow and steady
Past the ones that I used to knowAnd I'm never ready
'Cause I know, I know, I know
That time won't let me
Show what I want to showAnd I move slow and steady
But I feel like a waterfall
Yeah I move slow and steady
Past the ones that I used to know.
And I'm never ready
'Cause I know, I know, I know
That time won't let me
Show what I want to show.
