Afraid

The Neighbourhood

When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.Make that money.
Fake that bunny.
Ache my tummy.
On the fence, all the time.Paid junk honey.
Your face so sunny.
Ain't that funny?
All my friends always lie to me.
I know they're thinking.
You're too mean, I don't like you.
Fuck you, anyway.
You make me want to scream at the top of my lungs.
It hurts but I won't fight you.
You suck, anyway.
You make me want to die,
Right when I,When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might end up being me. (Being me, being me.)
Keep on dreaming,
Don't stop breathing,
Fight those demons.
And sell your soul, not your whole self.
If they see it when you're sleeping, make them leave it.
And I can't even see if it's out there, anymore.You're too mean, I don't like you.
Fuck you, anyway.
You make me want to scream at the top of my lungs.
It hurts but, I won't fight you.
You suck, anyway.
You make me want to die,
Right when I,When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.

When I wake up, I'm afraid.
Somebody else might end up being me. (Being me, being me.)Being me can only mean feeling scared to breathe.
If you leave me, then I'll be afraid of everything.
That makes me anxious,
Gives me patience,
Calms me down.
Lets me face this,
Let me sleep.
And when I wake up,
Let me be.When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might take my place.
When I wake up, I'm afraid.
Somebody else might end up being me. (Being me, being me.)
