# Burn My Shadow

## UNKLE

I have burned my tomorrows
And I stand inside today
At the edge of the future
And my dreams all fade awayI have burned my tomorrows
And I stand inside today
At the edge of the future
And my dreams all fade awayAnd burn my shadow away
And burn my shadow away
I faced my destroyer
I was ambushed by a lie
And you judged me once for falling
This wounded heart will riseAnd burn my shadow away
And burn my shadow awayWhen I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever (burn my shadow)
When I see the light
True love forever
When I see the light
True love forever (burn my shadow)
When I see the light
True love forever (away)And burn my shadow away
And burn my shadow awayOh, how I loved you
