When The Party's Over

Alexander O'Neal

Having a good time
Getting close to you girl
Last dance is ending
I don't wanna let you go, oh noSo please excuse me
If I come up kinda strong
But the night is almost gone
What I'm trying to say is thatThere's no need to leave
When the party's over
There's no need to go
When the party's over
Understand me
I'm not forcing anything
I just wanted you to stay
So I thought I'd tell you thisThere's no need to leave
When the party's over
There's no need to go
When the party's over
There's no need to leave
I don't wanna be alone, baby, no
There's no need to go
Stay with me, stay with me, babyThere's no need to go
