2012 (It Ain't the End) [feat. Nicki Minaj]

Jay Sean

Oh, oh, 2012, oh yeah
It's alright, oh, it's alrightYou know what they say? Life ain't always easy
And everyday, we're survivors
So forget the day, it's all about tonight
Act a fool and start a riot, a riot be rebelBottles poppin' 'til we can't stand
We keep it rockin' till 6 a.m.
New York to London, over to Japan
Turn it up, turn it up, mash it upWe gonna party like, party like it's the end of the world
We gonna party like, like it's 2012
You know that it doesn't matter as long as we got each other
Turn it up, turn it up, mash it up, it ain't the end of the world, oh
Gonna live like it's the end of the world
Gonna party like, oh
Turn it up, turn it up, mash it up
It ain't the end of the worldSimiles, metaphors and we pop pills
Sick flow, inundated with the doc bills
Work hard, now we know how to top bills
In the middle of the street doing cartwheelsLot of them try to do it but it's not real
Wasn't a rapper, then I could've got a pop deal
White curls in a hot-pink Hot Wheels
Lot of bottles and a lot of fruity cocktailsUh, days of our lives
You wink it goes by
So we'll just get it with no Edison
Anything goes, so no time for closed minds
And free my Lil' Weezy
And let's just get right
Young Money, Cash Money in the building
Let's go, the world ends tonightHave a drink with me and let's make tonight go down
In history, in history, yeah
Let's play make believe it's the last 24 hours
And this whole world is ours eternally, eternallyHey, bottles poppin' 'til we can't stand
We keep it rockin' till 6 a.m.
New York to London, over to Japan
Turn it up, turn it up, mash it upWe gonna party like, party like it's the end of the world
We gonna party like, like it's 2012
You know that it doesn't matter as long as we got each other
Turn it up, turn it up, mash it up, it ain't the end of the world, ohWe gonna live like it's the end of the world
Gonna party like, oh
Turn it up, turn it up, mash it up
It ain't the end of the world, noNo, I'm not gonna follow
Anything that they say any more

And it's never too late to start over
So lets start it with here right now
We gonna party like, party like it's the end of the world
We gonna party like, like it's 2012
You know that it doesn't matter as long as we got each other
Turn it up, turn it up, mash it up, it ain't the end of the world, oh
We gonna live like it's the end of the world
Gonna party like, oh
Turn it up, turn it up, mash it up
It ain't the end of the world, the world
Because the world keeps spinnin'
The world keeps spinnin' around
