Clean

Natalie Grant

I see a shatter, you see hope
I see it broken, but you see beautiful
and you're helping me to believe
you're restoring me, piece by piece.There's nothing too dirty,
that you can't make worthy,
you wash me in mercy
I am clean
there's nothing too dirty,
that you can't make worthy,
you wash me in mercy
I am cleanwhat was dead now lives again
my hearts beating, beating inside my chest
oh I'm coming alive with joy and destiny
oh, oh cause you're restoring me piece by piece, oh
there's nothing too dirty,
that you can't make worthy
you wash me in mercy
I am clean, oh yeah
there's nothing too dirty,
that you can't make worthy
you wash me in mercy
I am cleanwashed in the blood of your sacrifice
your blood flowed red and made me white
my dirty rags are purified,
I am cleanWashed in the blood of your sacrifice
your blood flowed red and made me white
my dirty rags are purified
I am clean, I am clean, oh
washed in the blood of your sacrifice
your blood flowed red and made me white
my dirty rags are purified
I am clean
I am clean
I'm clean
Oh You made me You washed me clean.
You made me clean.
