

# Best Wishes to Your Black Lungs

## Less Than Jake

By this time tomorrow  
You'll get out on the streets of Chicago  
Walkin' all the way home from commuter trains  
Oh yeah, yeah, yeah By this time tomorrow  
You'll be back at home in Chicago  
At the bars until' they close  
Back at the places that you've known and It'll be skylines and rooftops, yeah, yeah  
And it's gonna be crowded tourist stops So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung  
So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung By this time tomorrow  
You'll be walking home through Chicago  
Past the nine to five crowds and underneath  
Those unused fire escapes By this time tomorrow  
You'll be at the bars in Chicago  
Back with people that you know  
Going places you used to go It'll be skylines and rooftops, yeah, yeah  
And it's gonna be crowded tourist stops So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung  
So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung So when you're leavin' the party just to beat the crowd  
Just make sure that you're the first one out So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung Your black lung  
Your black lung  
Your black lung It's gonna be skylines and rooftops, yeah, yeah  
And it's gonna be crowded tourist stops So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung So when you're leavin' the party just to beat the crowd

Just make sure that you're the first one out So it's goodbye  
To your brand new life  
So it's good luck  
Best wishes to your black lung Your black lung  
Your black lung  
Your black lung
