Good Morning (feat. TobyMac)

Mandisa

Wave away my yesterday
'Cause I'm leaving it behind me
Hello sunshine, come what may
I feel something new inside meI hear the birds singing
Now my alarm's ringing
Get up, get up, heyIt's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping, stepping on my wayGood morning
You give me strength, you give me just what I need
And I can feel the hope that's rising in me
So a good morning
Slow down, breathe in, don't move ahead
I'm just living in this moment
I've got my arms raised, un-phased, jump out of bed
Gotta get this party goingI went to bed dreaming
You woke me up singing
Get up, get up, heyIt's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping, stepping on my wayGood morning
You give me strength
You give me just what I need
And I can feel the hope that's rising up in me
So good morning, good morning
Now I'm smiling
And I'm kissing all my worries goodbye
Got the feeling
If I spread my wings I might even flyYou are my truth, my way
Give me the strength to say
Get up, get up, get up
'Cause it's a good morningMr. Mac to the mic
Hey, top of the morning to you, 'Disa
You smoothie, me ice cold pizza
Cafe au lait, latte dah
You do the zumba, but I do notGive me like half a marathon
I'll give you the gospel of Saint John
Hits me like a wake up bomb
'Cause we both know that His mercy flows in the morningWake up to a brand new day
This morning
I'm stepping, stepping, stepping on my wayGood morning
You give me strength

You give me just what I need
And I can feel the hope that's rising up in meSo good morning
Wake up to a brand new day
This morning
I'm stepping, stepping, stepping on my wayGood morning
You give me strength, you give me just what I need
I can feel the hope that's rising up in me
So good morningTop of the morning to you, 'Disa
Hey, top of the morning to you, girl
To-to-top of the morning to you, 'Disa
Morning little miss sunshineMan, you morning people
No, I'm serious
