Work

Jimmy Eat World

If you only once would let me
Only just one time
Then be happy with the consequence
With whatever's gonna happen tonightDon't think we're not serious
When's it ever not?
The love we make is give and it's take
I'm game to play alongAll I can say
I shouldn't sayCan we take a ride?
Get out of this place while we still have timeAll the best DJs are saving
Their slowest song for last
When the dance is through, it's me and you
Come on, would it really be so bad?
The things we think might be the same
But I won't fight for more
It's just not me to wear it on my sleeve
Count on that for sureAll I can say
I shouldn't sayCan we take a ride?
Get out of this place while we still have time
You want to take a ride
Get out of this place while we still have time, yeah, we still have timeI can't say I was never wrong
But some blame rests on you
Work and play, they're never okay
To mix the way we doAll I can say
I shouldn't say
Can we take a ride?
Get out of this place while we still have time
You want to take a ride
Get out of this place while we still have time, yeah, we still have time
