Remember

Josh Groban

Remember
I will still be here
As long as you hold me
In your memoryRemember
When your dreams have ended
Time can be transcended
Just remember meI am the one star that keeps burning
So brightly
It is the last light
To fade into the rising sunI'm with you whenever you tell
My story
For I am all I've done
Remember
I will still be here
As long as you hold me
In your memory
Remember meI am that warm voice in the cold wind
That whispers
And if you listen
You'll hear me call across the skyAs long as I still can reach out
And touch you
Then I will never dieRemember
I'll never leave you
If you will only
Remember me
Remember
I will still be here
As long as you hold me
In your memory
Remember
When your dreams have ended
Time can be transcended
I live forever
Remember me
Remember me
Remember me
