Wild Horses (feat. Jay Sean)

Antonia, Jay Sean & Adi Perez

Bad girls and the good boys
That's me, and youuu
Two hearts, different worlds
That's me, and youuu
Ooh oh oh, I keep trying
Oooh oh oh, if you're trying along
Oooh oh oh, I'm tryna tell you
Let it go, I think you'd better
Beware of those WILD HORSES
Some hearts, they can't be tamed,
Can't be tamed!
Go ahead and built your fences
Somehow I still escape, still escape!
In the night, we are raising hearts
In the light, we are miles apart
Beware of those WILD HORSES
You watch them run away, run away!
Yeah yeeea,
Our love you can't control,
That's me, and youuu
Your love trying to be own
That's me, and youuuOoh oh oh, I keep trying
Oooh oh oh, if you're trying along
Oooh oh oh, I'm tryna tell you
Let it go, I think you'd better
Beware of those WILD HORSES
Some hearts, they can't be tamed,
Can't be tamed!
Go ahead and built your fences
Somehow I still escape, still escape!
In the night, we are raising hearts
In the light, we are miles apart
Beware of those WILD HORSES
You watch them run away, run away
Why'd you're always looking for someone to save?
Why's you're always wanna do things the hard way?!
You can change the person, but people don't change!!
Why's you're always wanna do things the hard way?!Ooooh, beware of those WILD HORSES
Some hearts, they can't be tamed,
Can't be tamed!
Go ahead and built your fences
Somehow I still escape, still escape!

In the night, we are raising hearts
In the light, we are miles apart
Beware of those WILD HORSES
You watch them run away, run away!
