

1000HP

Godsmack

Time To Rewind
Back To 1995
When We Were Nothing
Walking Through The Streets Of Boston
No One Listening
No One Caring About The Empty Rooms We Played
Until They All Showed Up One Day Then We Took The Stage
And Everything Change Turn That Shit Up Louder
Make It All Go Faster
Play It Through The Witching Hour
Take It To 1000HP (Yeah)
Under Lights Now
Playing To The Masses
Everyting Feels Right
Taking State By State The Country Overnight
Living In A Shell
Enduring Every Fight
Seeing Millions Of People Rage When We Take The Stage
Everybody SCREAM Turn That Shit Up Louder
Make It All Go Faster
Play It Through The Witching Hour
Take It To 1000HP (Yeah) Turn It Up Turn It Up
One More Time
Get It Up
Get It Up
Feel Alive
Turn It Up Turn It Up
One More Time
Get It Up
Get It Up
Feel Alive Turn It Up Turn It Up
One More Time
Get It Up
Get It Up
Feel Alive Turn It Up Turn It Up
One More Time
Get It Up
Get It Up
Feel Alive
(Yeah) Turn That Shit Up Louder
Make It All Go Faster
Play It Through The Witching Hour

Take It To 1000HP (Yeah) Turn That Shit Up Louder
Make It All Go Faster
Play It Through The Witching Hour
Take It To 1000HP (Yeah)
