Sitting Home

Total

Sitting homeSitting home waiting for you
'Cause staring at these walls is all I do
I try my best to be good to you
But you're never around when I'm in the moodI'm getting tired of being tired of your ways
You haven't come home or even called today
And you don't know the pain when I'm feeling alone
I'm calling out your name when you're not even homeAnd I need you with me, babe, can't see you leaving me, babe
'Cause I don't know no other road I would go
And I hope your feelings change, come bring your loving back to me
So I can give you all you need and much more
I'm sitting
Sitting home waiting for you
'Cause staring at these walls is all I do
I try my best to be good to you
But you're never around when I'm in the moodAll my friends think that I am a fool
And since you have been gone I've been thinking so too
Just tell me what it is and what you feel I do wrong
We should stay together 'cause our love is so strongAnd I need you with me, babe, can't see you leaving me, babe
'Cause I don't know no other road I would go
And I hope your feelings change, come bring your loving back to me
So I can give you all you need and much more
I'm sittingSitting home waiting for you
'Cause staring at these walls is all I do
I try my best to be good to you
But you're never around when I'm in the mood
By myself all day long
This feeling that I feel for you feels so strong
With myself all day long
This feeling that I feel for you since you've been goneSitting home waiting for you
'Cause staring at these walls is all I do
I try my best to be good to you
But you're never around when I'm in the moodSitting home waiting for you
'Cause staring at these walls is all I do
I try my best to be good to you
But you're never around when I'm in the moodSitting home waiting for you
'Cause staring at these walls is all I do
I try my best to be good to you
But you're never around when I'm in the moodSitting home waiting for you
'Cause staring at these walls is all I do

I try my best to be good to you
