Dream On Hayley

James Morrison

Some people sleep easy
Some people don't
See keep the light on
Stops you feeling so aloneSome people make you better
Some make it worse
If __ held you lightly
Yeah it got you where it hurts
You're not the one
You're not the one to pay
Dream on Hayley
Don't look down
There's nothing here for you to see
Dream on Hayley
You're just about there
Don't give up so easily
Dream on Hayley
If you don't feel love
Then dreaming is the way to go
I know, I know, I knowSome people trust too much
Sometimes that's you
Shouldn't be a bad thing
It's more than I could do
So much disappointment
Over the years
Willing to love completely
But always ends in tears
I'm not mad
Not so mad to meDream on Hayley
Don't look down
There's nothing here for you to see
Dream on Hayley
You're just about there
Don't give up so easily
Dream on Hayley
If you don't feel love
Then dreaming is the way to go
Dream on, dream on
I can help you
You gotta keep dreamingDream on Hayley
Dream on HayleyDream on Hayley
Don't look down
There's nothing here for you to see

Dream on Hayley
You're just about there
Don't give up so easily
If you don't feel love
Then dreaming is the way to go
