Afro Blue (feat. Erykah Badu)

Robert Glasper

Dream of a land
my soul is from
I hear a hand
stroke on the drum
Shades of delight, cocoa hue
Rich as the night, afro blue
Elegant boy, beautiful girl
Dancing for joy, derlictic whirl
Shades of delight, cocoa hue
Rich as the night, afro blue
Two lovers are face to face
with undulating grace
They gently sway and slip away
to some sectuded place
Shades of delight, cocoa hue
Rich as the night, afro blue
Dream of a land
my soul is from
I hear a hand
stroke on the drum
Shades of delight, cocoa hue
Rich as the night, afro blue
Elegant boy, beautiful girl
Dancing for joy, derlictic whirl
Shades of delight, cocoa hue
Rich as the night, afro blue
Two lovers are face to face
with undulating grace
Gently sway and slip away
to some sectuded place
Shades of delight, cocoa hue
Rich as the night, afro blue
- instrumental -
