I Don't Mind

Angela Johnson

Ooh... Oooh
Well wellIs it everything you ever dreamed of?
Are you happy with the way things are?
Can you say life's treating you well,
How is it so far?
Tell me babyAre you feeling my love surrounding you?
Like a blanket full of kisses from your head to your shoes?
Does it make you wanna to testify about it,
Is it good? (Is it still good to you?)
What must I do to keep that sweet smile on your face?
I wanna make it so good that it can't be replaced
I'm working hard so tell me what to do,
I will only do it for you, no I don't mind
What must I do to make you feel every day,
Like you're the only one loved in a very special way?
I'm working hard so tell me what it is,
I've never loved no one like this, so I don't mind (no... I don't mind)Is it something beautiful that you wanna share (ooh... ooh... ooh...)
And you wonder if others ever experienced a love so rare
Does it give you peace, when you deal with the stress of the day? (yeah, yeah, Yeah...)
Listen baby, whatever you want, whatever you need (baby)
If I don't have it, I'll go get it, all I want to do is please ya (just please...)
There's no request too big or small, baby I'm just so in awe of you (I'm just so in awe of you)
So tell me what can I do for you?
What must I do to keep that sweet smile on your face?
I wanna make it so good that it can't be replaced
I'm working hard so tell me what to do,
I will only do it for you, no I don't mind
What must I do to make you feel every day,
Like you're the only one loved in a very special way?
I'm working hard so tell me what it is,
I've never loved no one like this, so I don't mind (no... I don't mind)Boy don't you know that you're the only one that's go me acting crazy
I'm bending over backwards for ya
Just to keep you satisfied
But guess what baby, I don't mind
All I wanna do is thank you for the best years of my life
What must I do to keep that sweet smile on your face?
I wanna make it so good that it can't be replaced
I'm working hard so tell me what to do,
I will only do it for you, no I don't mind

What must I do to make you feel every day,
Like you're the only one loved in a very special way?
I'm working hard so tell me what it is,
I've never loved no one like this, so I don't mind (no... I don't mind)What must I do to keep that sweet smile on your face?
I wanna make it so good that it can't be replaced
I'm working hard so tell me what to do,
I will only do it for you, no I don't mind
