My First Kiss (feat. Ke$ha)

3OH!3

My first kiss went a little like this
And twist, and twistWell my first kiss went a little like this
And twist, and twistI said no more teachers
And no more books
I got a kiss under the bleachers
Just hoping that nobody looksLips like licorice
Tongue like candy
Excuse me miss
But can I get you out your panties?
In the back of the car
On the way to the bar
I got you on my lips
(I got you on my lips)
At the foot of the stairs
With my fingers in your hair
Baby, this is itShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-ooohShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-oooh
Well my first kiss went a little like thisI said no more sailors
And no more soldiers
With your name in a heart
Tattoo upon his shouldersYour kiss is like whiskey
It gets me drunk
And I wake up in the morning
With the taste of your tongueIn the back of the car
On the way to the bar
I got you on my lips
(I got you on my lips)
At the foot of the stairs
With my fingers in your hair
Baby, this is itShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say

Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-ooohShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-ooohMy first went a little like this
And twist
And twistWell my first kiss went a little like this
And twist
And twistYeah she won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Ooh-ooh-ooh-ooh-ooh-ooh
Oooh-oooh-oooh-ooohShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-ooohShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-ooohShe won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say...
