A Marshmallow World

Brenda Lee

It's a marshmallow world in the winter
When the snow comes to cover the ground
It's the time for play
It's a whipped cream day
I wait for it the whole year around
Now those marshmallow clouds being friendly
In the arms of the ever-green-trees
And the sun is red like a pumpkin hay
It's shining so your nose won't freeze
Oh' the world is the snowball, see how it grows
That's how it grows
Whenever it snows
The world is the snowball just for our soul
So get up and roll it along
It's a yumm yummy world made for sweet hearts
Take a walk with your favorite guy
It's a sugar date what a spring is late
In winter it's a marshmallow world(It's a marshmallow world in the winter)
(When the snow comes to cover the ground)
It's the time for play
It's a whipped cream day
I wait for it the whole year around
(Those marshmallow clouds being friendly)
(In the arms of the ever-green-trees
And the sun is red like a pumpkin hay
It's shining so your nose won't freeze
Oh' the world is the snowball, see how it grows
That's how it grows
Whenever it snows
The world is the snowball just for our soul
So get up and roll it along
It's a yumm yummy world made for sweet hearts
Take a walk with your favorite guy
It's a sugar date what a spring is late
In winter it's a marshmallow worldIt's a marshmallow world
It's a snow covered world
It's yummy, yummy world
It's a marshmallow world
