Celebrate bitch woopdy doo
Im on the ocean and im potent
I got pocket full of golden tokens
Quit wishin and hopin
Grab that ship by the wheel, goin in
Timbol in your backyard
Got the girls for you, got me ever hard
And I party party real hard
Love when they start to give a shit all
And you say you don't do shit
And you love when the bass hit
And you love when the bass hit
Boom boom boom, chicky chicky

Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Sippin' on sippin' on sippin' on vino
E'rybody get more drunk kilo
What they call that?
C note
Let's spend that, on a d-low

Hit the mall, nah
Let's find a cliff we can jump off
You afraid of heights
Let me know we can take that flight
Baby like a kitty cat
All proud, tight line
Where your hips at?
I know you can come
Built like that
This the underground world
Dev to my right, im right here
They love it when we drop that
Boom boom boom,
Give it to 'em now
you like the way i work it (work it)
push up on it but don't hurt it (hurt it)
you like the way i work it (work it)
push up on it but don't hurt it (hurt it)
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me
Don't don't hurt it, don't don't don't hurt it
If you want to serve it
You have got to work it baby
Don't don't hurt it, don't don't don't hurt it
If you want to serve it
You have got to work it baby
Be cool, be easy
Baby just don't tease me
Be cool, be easy
Just please me

Baby just don't tease me
Be cool, be easy
Just please me
