You Are

Charlie Wilson

Butterflies is what I feel inside
And every time is like my first time oo wee
And I can't never find the words to say
You're the perfect girl
You were made for me
It's so easy to love you baby
We're compatible, incredible and natural we are
And girl I've never felt this way before
From the bottom of my heart
Baby girl I just wanna tell you that you areThe reason I love the reason I trust
God sent me an angel
You are the best in the world
A wonderful girl
Knowing you by my side brings tears to my eyesBaby
Girl you had me from the moment I looked into your eyes
And I knew you were an angel but you were in disguise
Tell me how could I be so luckyThat you'd fall down from Heaven for me
Oo babySome people search a lifetime and never find a true love oo wee
But Heaven cared enough for me to give me you
And now our hearts they beat together
Standing stronger here foreverYou and I (you and I)
You and I (you and I)
I just want you to know you are
The reason I love the reason I trust
God sent me an angel
You are the best in the world
A wonderful girl
Knowing you by my side
And a man ain't supposed to cry
But girl you are
The only woman I make love to
The reason I come home at night
(Girl you are)
You're all that I need in my life
And it almost feelIt's not fair
Loving you I don't care
You are (you are)
You areYou are the reason I love the reason I trust
God sent me an angel
You are the best in the world
A wonderful girl (you're a wonderful girl)
Waoh Oh

You are
(Baby you are) you're all that I am
(You are) You're all that I need
(You are) Baby heaven has sent you to me
(Baby you are) the one for me
(You are) the air that I breathe
(You are) baby you are you are (oohh yeahh)
You are, you are everyday to me baby
You're everything oh baby
Baby you are...
