

At the Beginning (feat. Evynne Hollens)

Peter Hollens

We were strangers, starting out on a journey
Never dreaming, what we'd have to go through
Now here we are, I'm suddenly standing
At the beginning with you No one told me I was going to find you
Unexpected, what you did to my heart
When I lost hope, you were there to remind me
This is the start And life is a road that I wanna keep going
Love is a river, I wanna keep flowing
Life is a road, now and forever, wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you
We were strangers, on a crazy adventure
Never dreaming, how our dreams would come true
Now here we stand, unafraid of the future
At the beginning with you
And life is a road that I wanna keep going
Love is a river, I wanna keep flowing
Life is a road, now and forever, wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you
Knew there was somebody, somewhere
Like me alone in the dark
Now I know my dream will live on
I've been waiting so long
Nothing's gonna tear us apart In the end I want to be standing
At the beginning with you
