Never Knew Love Like This

Alexander O'Neal

Ooh... yeah...You are my favorite lady
And you are my
Favorite man, yes, you areAnd I know that's right
But it feels good to know
That you feel the sameAnd forever and a day
Together we will be
Nothing on this earth could
Ever take you away from meCause I've been kissed
But I... never knew love like this
And I've been missed
But I... never knew love like this
Loved someone before
But I... never knew love like this
I had lots of loving
But I never knew love like thisYou're something special
And you know you're
Something special tooI love you (I love you too)
And that's all I need to hear
To make my dayCause you're always on my mind
No matter what I do
Nothing on this earth could
Ever keep me away from youI've been kissed
But I... never knew love like this
And I've been missed
But I... never knew love like this
Loved someone before
But I... never knew love like this
I had lots of loving
But I never knew love like thisOh, I've been kissed
Never knew love like this
And I've been missed
But I... never knew love like thisLoved someone before
But I... never knew love like this
No, I never, never, never, never
Never knew love like thisWhen I'm asleep at night
When I'm asleep at night
I dream I hold you tight
Ooh, I hold you tightI never had a better love
Never love like this(Sax Solo)Oh, oh...
No, I never knew loveI've been kissed, baby, yeah
Never knew love like this
And I've been missed, girl

Never knew love like thisNever knew love
Loved someone before
Never knew love like this
I never knew love
I never knew love
Love like this, babyI've been kissed, baby
Never knew love like this
And I've surely been missed
Let's sing it togetherI've been kissed
I've been missed
Never knew love like this
I never knew love like this
I never knew love like this, girlI never knew love like this
I never knew love like this
I never knew love like this
Cherrelle
Let me tell you how I feelI never knew, baby, never
Tell me how you feel, baby
I never knew love like this, girl
NeverI've been around the world
Never
But I never knew love. never
Never knew love like this, girlNobody kissed me like you do
Never knew love like this
I never knew your love
Could be so goodNever knew love like this
Ooh wee, baby, yeah, yeah
I never knew your love, I never knew
I gotta, gotta have your love, girlNever knew love like this
Make it good to you, baby, oh
Never knew love like this
Take you home late at night, woman
Oh, sugar, yeah, oh, baby
Got to have your loveIn the morning time
Never knew love like this
Never knew love like this
