She Even Woke Me Up To Say Goodbye

Jerry Lee Lewis

Well, the morning's come
And Lord my mind is aching
The sunshine's quietly standing at my door
Just like the dawn
My heart is silently breaking
With my tears it goes tumbling to the floor.Once again the whole town will be talking
It's more I've seen the pity in their eyes
They could never understand
It's her sorrow not a man
No matter what they say I know she triedBaby's packed her soft things
And oh she's left me
I know she never meant to make me cry
It's not her heart Lord, it's her mind
She didn't mean to be unkind
Why she even woke me up to say goodbye
Goodbye baby...
