

Baby (feat. Madlib & Guilty Simpson)

J Dilla

Let's go
Turn it up, live, niggaz, throw it up
It's the official, we got the bank for ya, go You can catch Guilty Simpson at a rave with babes
Packin' a .38 snub and a razor blade, uh
Thug shit in a major way
I kick ya dog's ass like a Flavor Flav Thug niggaz with guns beneath leathers
If you know better, keep ya bitch on tether
Niggaz got snow like cold, cold weather
And big money clips 'cause they fold dough better Yeah, packin' three cuties in the Hemi
I be runnin' hoes like Luke in Miami
So I hit her, gotta get the half of my Jimmy
I don't mean to pimp that hard, it's just in me
Got a sick flow and a couple of pistols
Got this thick chick Coco in Cisco
The same day I met her, we backstage in the bathroom
She got a mouth like a vacuum, uh We them boys with the chains on our neck
Every five minutes we untanglin' them
It's Pay Jay make sure the name on the check
Jay Dee in the turnin' lane with ya ex, like Los Angeles And the nights are scandalous
Thick like big bread basket sandwiches
Choke on that, we smoke on bats
And put a hole through the horse on your Polo hat And leave the shit smokin' where the logo at
And the witnesses won't tell po-po jack, uh
That's how it is when we fuck shit up
(Kill it)
People hoes horny and the blunts lit up
Feel it
Yup, real talk y'all
I met this girl last night
She whispered in my ear like Baby, you're the one
Baby, take me home tonight
Baby, lay me down
