Shining Star

B5

Yeah, it's B5
Yeah, let's goWhen you wish upon a star (When you wish up a star)
Your dreams will take you very far, yeah, yeah, yeah
When you wish upon a dream (When you wish upon a dream)
Life ain't always what it seems, oh yeahOnce you see you light so clear
In the sky so very dear, ohYou're a shining star, no matter who you are
Shining bright to see what you can truly be
Truly be
It's B5Shining star come into view
Shine its watchful light on you, yeah
Gives you strength to carry on
And make my body big and strongOn an adventure of the sun
It's all awake and just begun
Thought I had to stir the mood
That's it now I got my own, oh yeahSo if you find yourself in need
Why don't you listen to these words of heat
Be a child free of sin
Be some place, yes I can
You're a shining star, no matter who you are
Shining bright to see what you can truly be
You're a shining star, no matter what you are
Shining bright to see what you can truly beShining star for you to see, what your life can truly be
Shining star for you to see, what your life can truly be
Shining star for you to see, what your life can truly be
