You Might Be (feat. Lils)

Autograf

There's something in the air
There's something on the wire
The're something in the way,
That I'm seeing it gives me satisfied
You've got it in my head, stars up
You've got it in my eyes
Somehow in the dark
You found me and brought me to the life
And it feels like love
It feels like love
And it won't be enough
But it feels like
like you might be the death of me
It's not like me to fall
It's really not my style
It's not like me to be so foolish
I haven't in a while
Was it something that you did?
Is it something in my mind?
I don't know what it is
that got me so beautifully blind
And it feels like love
It feels like love
And it won't be enough
But it feels like
like you might be the death of me
you might be the death of me
Give me something to believe
You might be the death of me
And it feels like love
it feels like love
And it won't be enough
but it feels like you might be the death of me
You might be the death of me
Give me something to believe
you might be the dath of me
