Nobody Knows (feat. WYNNE)

Autograf

I don't know where I belong
No I don't know
But I've been hanging on
For too long
'Cause no one really knows me, at all
I've been spending time
'Cause time's on my side
And if I make it home
When our worlds collide
'Cause no one really knows me, at all
I don't know where I belong
No I don't know
But I've been hanging on
For too long
'Cause no one really knows me, at all
So help me find my way
The way I came from
'Cause I'm feeling lost and afraid
You better not be too far gone
Oh, have I been so wrong
Missed the song
Still I don't know where I belong
No I don't know
Because no one really knows me, at all
Yeah, no one really knows me, at all
