Who You Love (feat. Katy Perry)

John Mayer

You love, who you love, Who you love
You love, who you love, Who you loveMy girl, she ain't the one that I saw coming
And sometimes I don't know which way to go
And I tried to run before
But I'm not running anymore
Cause I've fought against it hard enough to knowThat You love, who you love, Who you love
You love, who you love, Who you love
You love, who you love, Who you loveOh, you can't make yourself stop dreaming
Who you're dreaming of
If it's who you love
Then it's who you love
My boy, he ain't the one that I saw coming
And some have said his heart's too hard to hold
And it takes a little time
But you should see him when he shines
Cause you never wanna let that feeling goWhen You love, who you love, Who you love
You love, who you love, Who you love
Yeah, You love, who you love, Who you loveOh, you can't make yourself stop dreaming
Who you're dreaming of
If it's who you love
Then it's who you loveOh, You love, who you love, Who you love
You love, who you love, Who you love
You love, who you love, Who you love
Oh, you can't make yourself stop dreaming
Who you're dreaming of
If it's who you love
Then it's who you loveIt's who you love
Who you love
Who you love
Who you love
You're the one I love
