Flawless

The Neighbourhood

She planned ahead for a year
He said let's play it by ear
She didn't want him to run
He didn't want her to fear
Nobody said it'd be easy
They knew it was rough but tough luck
I fell in love today
There aren't many words that you can say
That could ever get my mind to change
She's enough for me
She's in love with meYou're a doll, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
The only flaw, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love.So, she put his heart in a bag
He wouldn't ask for it back
He didn't want her to cry
She didn't want to be sad
She said you'd better not leave me
This shit'll be fucked for days, and weeks, and months, but...
I fell in love today
There aren't many words that you can say
That could ever get my mind to changeShe's in love for me
She's in love with meYou're a doll, you are flawless
But I just can't wait for love to destroy us
I just can't wait for loveThe only flaw, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
Add it all up, I can find it
The problem with love, is I'm blinded by...
It rattles my lungs, but my mind isTingled between your little flaws
Your flaws
Your flaws
Your flawsYou're a doll, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
The only flaw, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
Wait for love
I won't wait for love

Wait for love
I won't wait for love
Wait for love
