

Just You

Angelo Badalamenti & David Lynch

Just you
And I
Just You
And I
Together forever
In love
Just you (just you)
And I (and I)
Just You (Just you)
And I (And I)
Together forever
In love
In love
We go strolling together
IN love
We go strolling forever
Oh oh oh
Just you (just you)
And I (and I)
Just you (just you) And I (and I)
Together forever
In Love
Just you
And I
Just you
And I
