Run Devil Run

Crowder

Run devil, run devil
Run devil, run
I got somethin' make the devil gonna run
He been dancin' till the break of dawn
Devil gon' try to take a shot at me
He got none, but baby I got threeHe tryna make a fool outta me
Y'all takin' out my sanity
He ain't nothin' but a silver tongue
I got something make the devil gonna run
I got somethin' make the devil gonna run
I got somethin' make the devil be gone
Run devil, run devil, run devil run
You bet your bottom dollar he's gonna be gone
I got something make the devil gonna run
Run devil, run devil
Run devil run
Run devil, run devil
Run devil run
I got somethin' make the devil go away
I've been dancing all night and day
Holy Ghost, filled with fire
Look out devil we got revival
Now people gonna move and say
Holy Roman murder scene
He ain't nothin' but a silver tongue
And I got something make the devil gonna run
I got somethin' make the devil gonna run
I got somethin' make the devil be gone
Run devil, run devil, run devil run
You bet your bottom dollar he's gonna be gone
I got something make the devil gonna run
I got the King of kings and the Lords of hosts
I got angel armies and a Holy Ghost
I got spirits here that are tied by fire
I got a valley of bones that came alive
I got a cross, a hill, and an empty grave
I got a trumpet sound and one sweet name
Shake the gate of hell, the sinners and dogs
I got my Jesus and the devil gotta run
I got somethin' make the devil gonna run
I got somethin' make the devil be gone
Run devil, run devil, run devil, run

You bet your bottom dollar he's gonna be gone
I got something make the devil gonna run
I got something make the devil gonna run
I got something make the devil gonna runRun devil, run devil
Run devil runYou bet your bottom dollar he's gonna be gone
I got something make the devil gonna run
