

# All My Love

## A\*Teens

I always remember  
When you were  
Lost in the rain  
(You looked so cute)  
I knew that moment  
My whole life had changed  
You told me to save you (you told me)  
From all the pain  
In your heart (in your broken heart)  
And knew that moment  
We will never part  
(Cross my heart)I can give you  
Everything you need  
(I'll do anything)  
If you'll only say (oh, say it)  
You'll stay with me  
All of my love  
It's what I wanna  
Give you everyday  
Everyday I love you  
I'll be there  
To lift you just  
A little higher (A little higher toward Heaven)  
Fill your spirit with desire  
All of my love  
It's what I wanna  
Give you everyday  
Everyday I love you  
I'll be there (I will be there)  
To take you just  
A little higher  
(I promise)  
Fill your body with desire  
All my love  
It's never ending  
The flame that grows inside  
(Let's turn the fire into happiness)  
We're starting something  
When our hearts collide (into two)I can give you (oh woah oh oh woah!)  
Everything you want  
(This is our game baby)  
If you'll only say (if you say)

You'll be the one All of my love  
It's what I wanna  
Give you everyday  
(This is like a miracle)  
Everyday I love you  
I'll be there  
(They never said)  
To lift you just  
A little higher  
Fill your spirit with desire (Not too much, though)  
All of my love (Love)  
It's what I wanna  
Give you everyday (everyday)  
Everyday I love you  
I'll be there  
To take you just (We'll do this together)  
A little higher  
Fill your body with desire (I promise)  
Giving you all my love I can give you (you know)  
Everything you need (everything)  
(This is our life)  
If you'll only say (oh yeah)  
You'll stay with me (ooh oh)(Yeah!)  
All of my love  
It's what I wanna  
Give you everyday (ooh yeah)  
Everyday I love you  
I'll be there  
To lift you just  
A little higher (To Heaven... to heaven)  
Fill your spirit with desire  
All of my love  
(hey hey hey)  
It's what I wanna  
Give you everyday  
(Take it off, take it off, take it off, take it off)  
Everyday I love you  
I'll be there  
To take you just  
A little higher (I say)  
Fill your spirit with desire  
(ooh yeah, yeah) All of my love  
(all of my love)  
It's what I wanna  
Give you everyday  
(everyday)  
Everyday I love you (I will still love you)  
I'll be there  
To lift you just

A little higher  
Fill your body with desire  
(Let's make it right)  
All of my love (Take it off, take it off)  
It's what I wanna  
Give you everyday  
Everyday I love you (Let me lift you higher)  
I'll be there (I will be there)  
To lift you just (Take it off, take it off)  
A little higher  
Fill your spirit with desire (fill it with desire)  
Giving you all my love
