The First Noel (feat. Colton Dixon)

Tenth Avenue North

Yeah, yeah
No, no, no, no, no innThe first Noel the angels did say
Was to certain poor shepherds in fields as they lay
In fields where they lay, keeping their sheep
On a cold winter's night that was so deepNoel, Noel, Noel, Noel
Born is the King of IsraelAnd they looked up and saw a star
Shining in the east beyond them far
And to the earth, it gave great light
So it continued both day and nightNoel, Noel, Noel, Noel
Born is the King of Israel
Noel, Noel, Noel, Noel
Born is the King of Israel
Noel, hm
I was just five years old the first time I sang it
Me and mama would walk in the candle light service in the snow
I'll never forget the choir in that old church
Sounded like heaven
So let us all in one accord sing praises to our heavenly LordYou're the first, You're the last
Noel, You're the reason we sing
Christmas only comes but one time a year
But You're in my heart everydayNoel, Noel, Noel, Noel
Born is the King of Israel
Noel, Noel, Noel, Noel
Born is the King
Born is the King
Born is the King of Israel
Yes You are, yes You are
Born is our King
You're the King that was born for me
Born is the King
You're the King, You're the King
Of IsraelYes You are, yes You are
You're the first Noel
Born for me, yes You are, yes You are
Born is the King
