Joy to the World

Mannheim Steamroller

I remember it clearly
A year ago and I'm here today
Just like you said that day
So simple in your own way
No doubt that both of us are insaneDo you remember the day we met
Said words I can't forget
So much I think of what you do
Just like you said that day
So simple in your own way
No doubt that both of us are insaneSometimes it gets instilled
Sometimes it feels too real
And I can say this is the deal
I'd like forever and ever
I'll never love again
Can't you see that I'm in
I'll never know another you
What you do
