Cold Shoulder (Basement Jaxx DUBB)

Adele

You say it's all in my head
And the things I think just don't make sense
So where you been then? Don't go all coy
Don't turn it 'round on me like it's my fault
See I can see that look in your eyes
The one that shoots me each and every time (every time)You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was herThese days when I see you
You make it look like I'm see-through
Do tell me why you waste our time
When your heart ain't admitting you're not satisfied
You know I know just how you feel
I'm starting to find myself feeling that way too
When you grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was herTime and time again, I play the role of fool
(Just for you)
Even in the daylight when you think that I don't see you
Try to look for things I hear but our eyes never find
'Though I do know how you playYou grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her
You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her
