

Here We Go Again (Live in Atlantic City, 1941)

Glenn Miller & Glen Miller Orchestra

Here we go again
London is insane
Confusion in my brain
Here we go againPleasure turns to pain
A disposable refrain
It's feeling very strange
Here we go againHere we go again
It's always the same
Nothing seems to change
Here we go again
As the television fades
The cloud it turns to rain
Money to be made
Here we go again
Here we go again
