These lil' niggas got me bent (Got me, ooh!)

Wit' my bitch (Ohh)
Red nose, and she super thick
I'ma pipe her (I'ma), you know I'ma pound her (Hop out, hop out)
You know I'ma dog, I'ma-I'ma Rottweiler (I'ma-I'ma)
Astro Goddamn
Niggas got me bent (Ohh), tent (Ohh)

Wit' my bitch (Ohh)
Red nose and she super thick
I'ma pipe her, you know Im'ma pound her
You know I'm a dog, I'ma-I'ma Rottweiler (I'ma-I'ma)
Drop-top the roof (Ooh)
You know how I do (Treyway)
Smilin' now, a hunnit diamonds dancin' on my tooth
Dancing in the dark (Huh)

Ask that nigga how he trynna play me for a mark
Think I'm Lil Mac, I get to whoopin' niggas asses
The way I'm getting cash, they say I'm casting black magic
Structure like elastic
Money coming faster, and faster
Your cash flowing slower than molasses
Passing the mug (Pass that)
Laughing around you
How'd ya think that I ain't in boy
I'm bound to, I'm bound to
Hit bout' 20 milli- before I see 25
Get the deal, I signed the dotted line
Then I split it with the guys
These lil' niggas got me bent (Ooh), tent (Ooh)

Wit' my bitch (Ohh)
Red nose and she super thick (And she)
I'ma pipe her (Pipe her), you know I'ma pound her (Pound her)
You know I'm a dog, I'ma-I'ma Rottweiler
Niggas got me bent (Ohh) tent (Ohh)
