Not Giving In

Tom Walker

[Verse 1]
Take my hand, we can find a place no one knows
And you can tell me where this goes
I know it's hard for you
You've got scars beneath your clothes
You didn't do this on your own[Pre-Chorus]
As I hold my hand out for you
You're too scared to let me in
And we end where we begin
[Chorus]
When you gave away the love he gave you
You don't want a soul to save you
I'll never stop, I'm not givin' in (No, no, no, no, no)
'Cause I'll climb the walls that slowly cage you
Break the chains that you can't break through
I'll never stop, I'm not givin' in[Post-Chorus]
I'm not givin' in
I'm not givin' in[Verse 2]
I don't pretend to understand
What it's like, stood in your shoes
But I would try them on for you
'Cause I hate to see you fade away
On the corner where you lay
Beggin' passers by for change
[Pre-Chorus]
When the daylight breaks before you
You're too scared to let it in
And we end where we begin[Chorus]
When you gave away the love he gave you
You don't want a soul to save you
I'll never stop, I'm not givin' in (No, no, no, no, no)
'Cause I'll climb the walls that slowly cage you
Break the chains that you can't break through
I'll never stop, I'm not givin' in[Post-Chorus]
I'm not givin' in
(Not givin' in)[Bridge]
Honestly promise me, tell me the truth
You don't have to do what they're askin' of you
Get out of this place, don't give them your grace, my dear
And no, no
Don't let them treat you like one of their slaves
Promise you love just to steal it away

No, don't take that plane
Don't fall for this game, my dear[Chorus]
'Cause you gave away the love he gave you
You don't want a soul to save you
I'll never stop, I'm not givin' in (No, no, no, no, no)
'Cause I'll climb the walls that slowly cage you
Break the chains that you can't break through
I'll never stop, I'm not givin' in[Post-Chorus]
I'm not givin' in, not givin' in
