World On Fire

Sarah McLachlan

Hearts are worn in these dark ages
You're not alone in this story's pages
The light has fallen amongst the living and the dying
And I'll try to hold it in
Yeah I'll try to hold it inThe world's on fire
It's more than I can handle
Tap into the water
Try to bring my share
Try to bring more
More than I can handle
Bring it to the table
Bring what I am able
I watch the heavens but I find no calling
Something I can do to change what's coming
Stay close to me while the sky is falling
I don't wanna be left alone. don't wanna be aloneThe world's on fire
It's more than I can handle
Tap into the water
Try to bring my share
Try to bring more
More than I can handle
Bring it to the table
Bring what I am ableHearts break, hearts mend
Love still hurts
Visions clash, planes crash
Still there's talk of
Saving souls, still the cold
is closing in on us
We part the veil on our killer sun
Stray from the straight line on this short run
The more we take the less we become
The fortune of one man means less for someThe world's on fire
It's more than I can handle
Tap into the water
Try to bring my share
Try to bring more
More than I can handle
Bring it to the table
Bring what I am able
