Made In France (feat. Tchami, Malaa & Mercer)

DJ Snake

Before we get started
Before we get started
Before we get startedBefore we get startedBefore we get started
Before we get started
Before we get started
Before we get startedBefore we get started
Before we get started
Before we get started
Before we get startedBefore we get started
Before we get started
Before we get started
Before we get started
Before we get started
Before we get started
Before we get started
Before we get started
Started, started, started-Yo, before we get started
I wanna know one thingWe get startedYoWe get startedYo, before we get started
Before we get started
Before we get started
Before we get startedBefore we get started
Before we get started
Before we get started
Before we get started
Before we get started
Before we get started
Before we get started
Before we get startedBefore we get started
Before we get started
Before we get started
Before we get started (I wanna know one thing)
Started, started, started-Yo, before we get started
I wanna know one thingWe get startedYoWe get started
